**16.0222 Refuse Disposal.**

(a) Solid Waste Management Disposal Site Fees for Sites which Charge a Fee Upon Entrance:

Fees

(1) (A) Ordinary refuse.....\$47.25/ton

(B) Ordinary refuse subject to the Comprehensive Disposal Site Diversion Program (AB 939 Fee) .....\$12.00/ton

(This fee is charged in addition to the per ton gate fee set forth in Subsection (a)(1)(A) above. This fee is charged on solid waste brought to a facility at which the Comprehensive Disposal Site Diversion Program has been implemented, unless such solid waste is: waste from a franchised or permitted waste hauler (or from a city, if the city collects its citizens' waste) and is brought in a front-, rear-, or side-loading refuse vehicle (i.e., packer truck); or waste brought from a Materials Recovery Facility or where collection or processing includes a recycling component and the waste contains only an incidental amount of inseparable recyclable materials; or waste generated by a commercial enterprise that has been reviewed and determined by the County of San Bernardino Department of Public Works–Solid Waste Management Division to be sufficiently source separated as to not contain more than an incidental amount of inseparable recyclable materials.)

(2) Uncovered/Unsecured Loads

To encourage the entrance into County waste facilities of loads that are properly secured or covered pursuant to applicable State or local laws and in deflection of the additional costs incurred because of waste

1 escaping such vehicles, loads brought to such facilities which are not  
2 properly secured or covered will be required to pay an additional Solid  
3 Waste Management Disposal Site Fee equal to the normal applicable  
4 disposal gate fee (including any applicable perchlorate add-on fee) for  
5 such waste. This will apply to both minimum and per ton loads, and also  
6 loads which would otherwise pay no gate fee, given the payment of a  
7 Land Use Fee pursuant to the provisions of Section 16.0222(c).

8 (b) Fee Adjustments:

9 Whenever use of a disposal site financed by land use fees is restricted by order  
10 of the Board of Supervisors and refuse is thereby hauled to other sites, the  
11 Board of Supervisors may permit acceptance of such refuse without charge at  
12 the receiving sites.

13 (c) Solid Waste Management Disposal Facility Fees:

14 (1) The following annual refuse disposal land use fees, based on the County  
15 Assessor's Land Use Codes, shall apply in the following areas. Where  
16 the Land Use Fee for any Use Code contains a schedule of fees based  
17 on the building size or number of dwelling units per parcel, but the  
18 relevant data base does not disclose sufficient building size or unit  
19 information to determine the correct category for a particular parcel, said  
20 parcel shall be charged as though it were the third smallest sized  
21 category if there are five or six size categories. If paid, such land use  
22 fees shall constitute, relative to ordinary refuse (excluding demolition  
23 waste, tires and hard to handle and special handling items) generated on  
24 the parcel of property for which the fee is paid, payment of the ordinary  
25 refuse per ton fee as set forth in Subsection 16.0222(a)(1), and the
